

Dear Patients,

After much consideration and deliberation, we have made the difficult decision to close our office effective 3/18/2020 through 4/5/2020 and will re-evaluate the COVID-19 situation moving forward. The health and safety of our patients, staff and their families are of utmost importance.

We understand that this will likely be an inconvenience to you, and we will do our best moving forward to reschedule you in a timely and convenient manner. A caring team member is available to answer calls for rescheduling or other needs

Thank you for your understanding.

Sincerely,

Dr. Brandon, Dr. Malinda, and your Orenco Station Team
